Presentations + Q&A

Yes, we have slides
As well as coffee and snacks ;-)
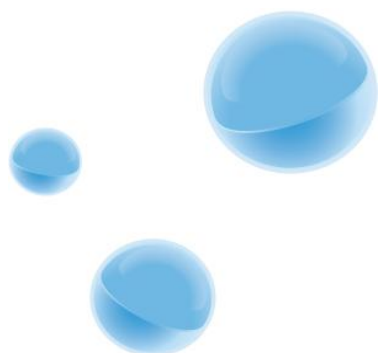

Presentations + Q&A

- For the Keynote we have reserved 10 min for Q&A
- For 30 min talk time for Q&A is 5 minutes
- For Talks lasting 15 min, Q&A is the last 3 minutes

- Tip:

  - Write down questions and ask them at the end

Slides will be posted online later
No worries that no Wi-Fi is available
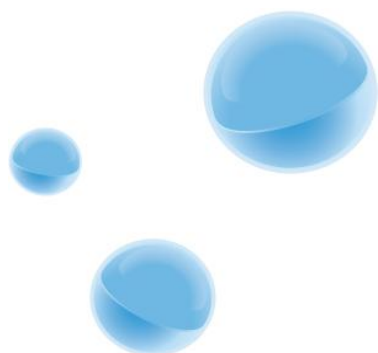

Best Q&A gets

- We have 70 t-shirts
- 25 Varnish 4GB USB disks for best questions
- Varnish Stickers for everyone!

It's ok we all love that bunny!
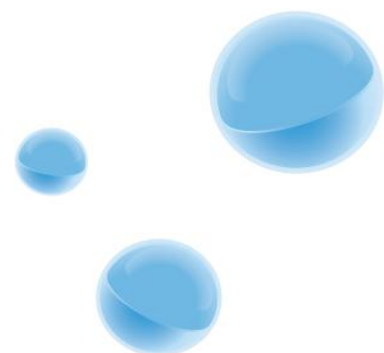

And now...

Lasse's 2 minutes of fame
1 minute is enough for me
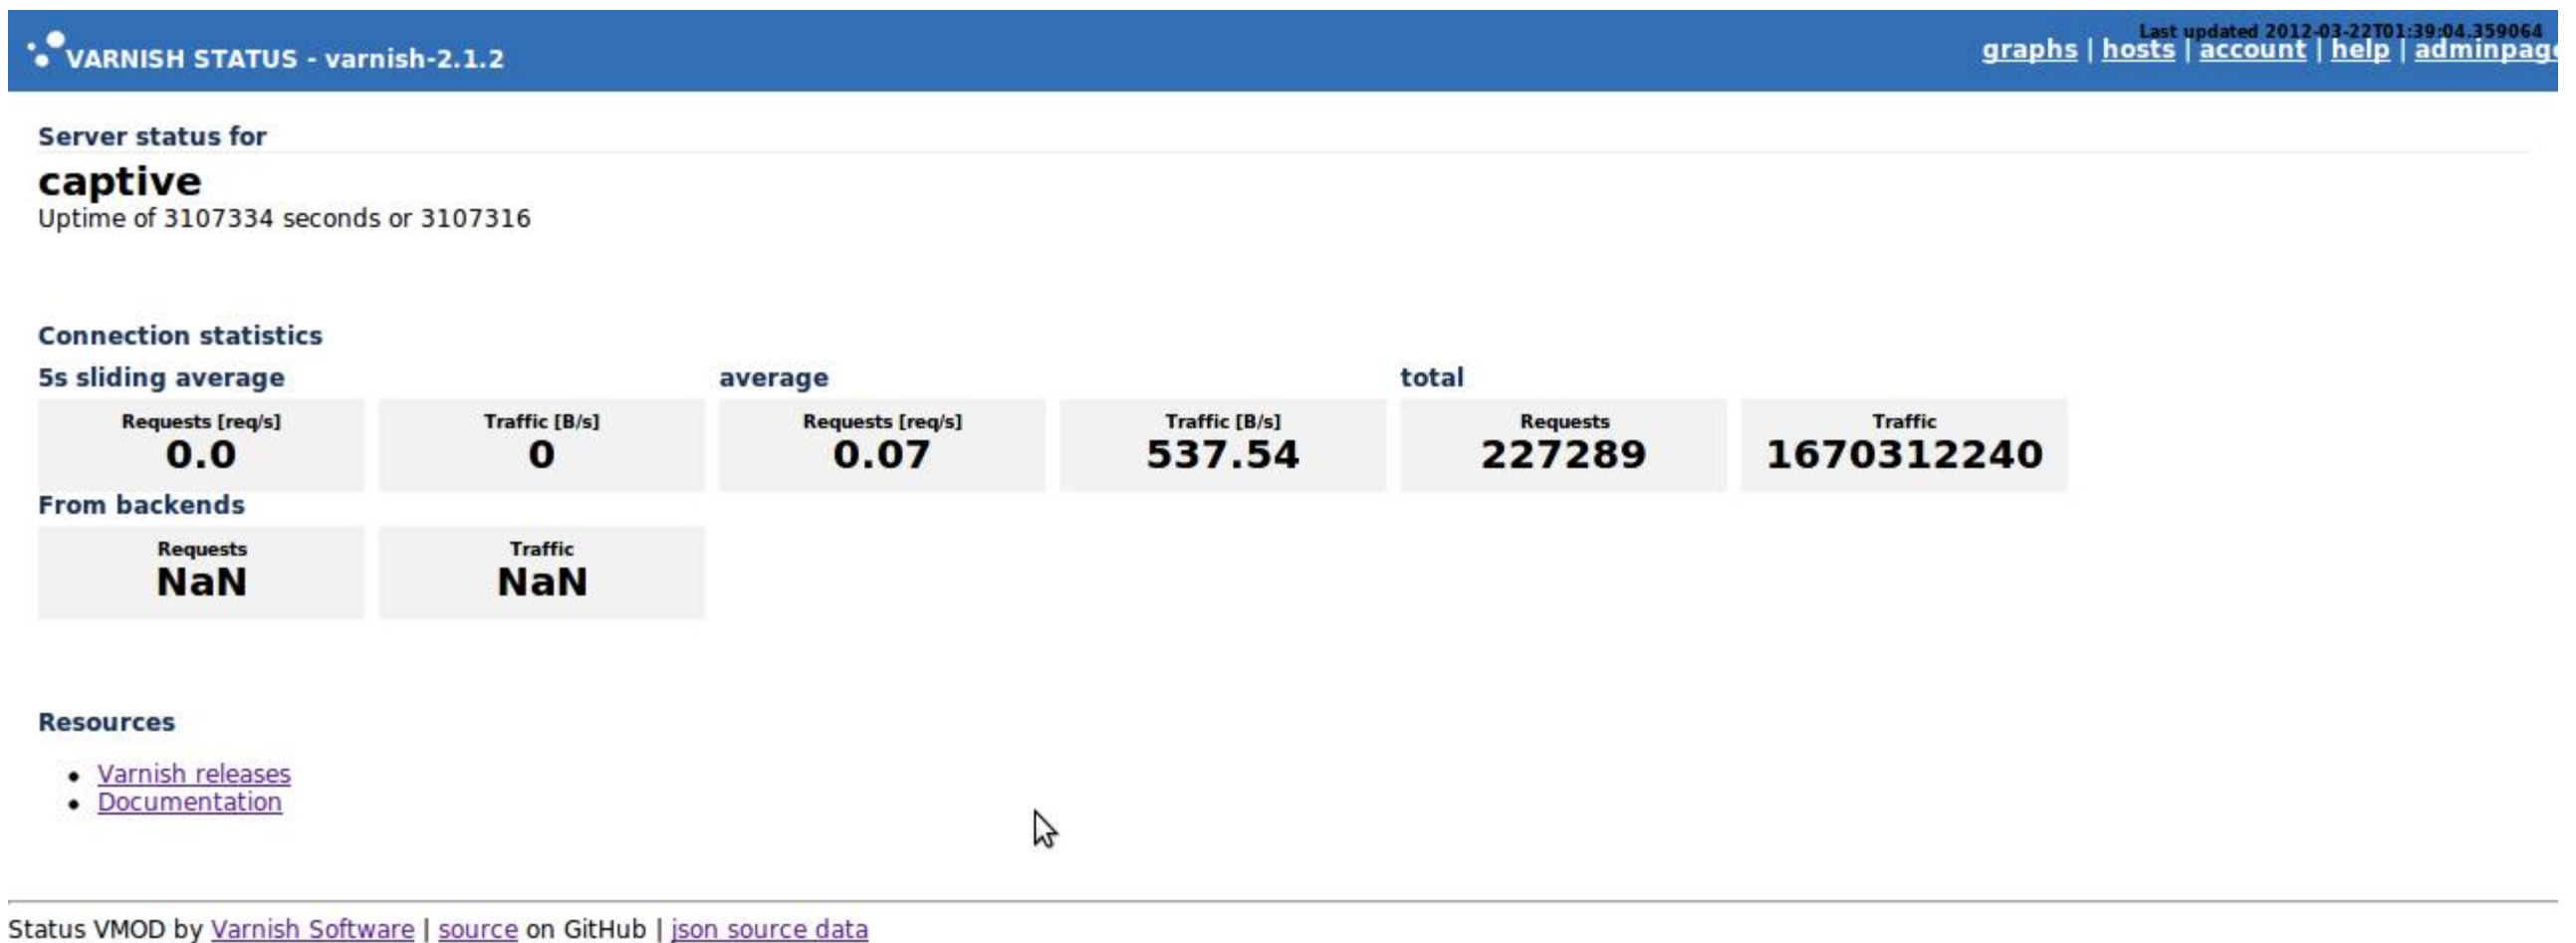

2 minutes of fame?

Since March last year @NYTimes
I have an itch...

Varnish Status Web GUI?
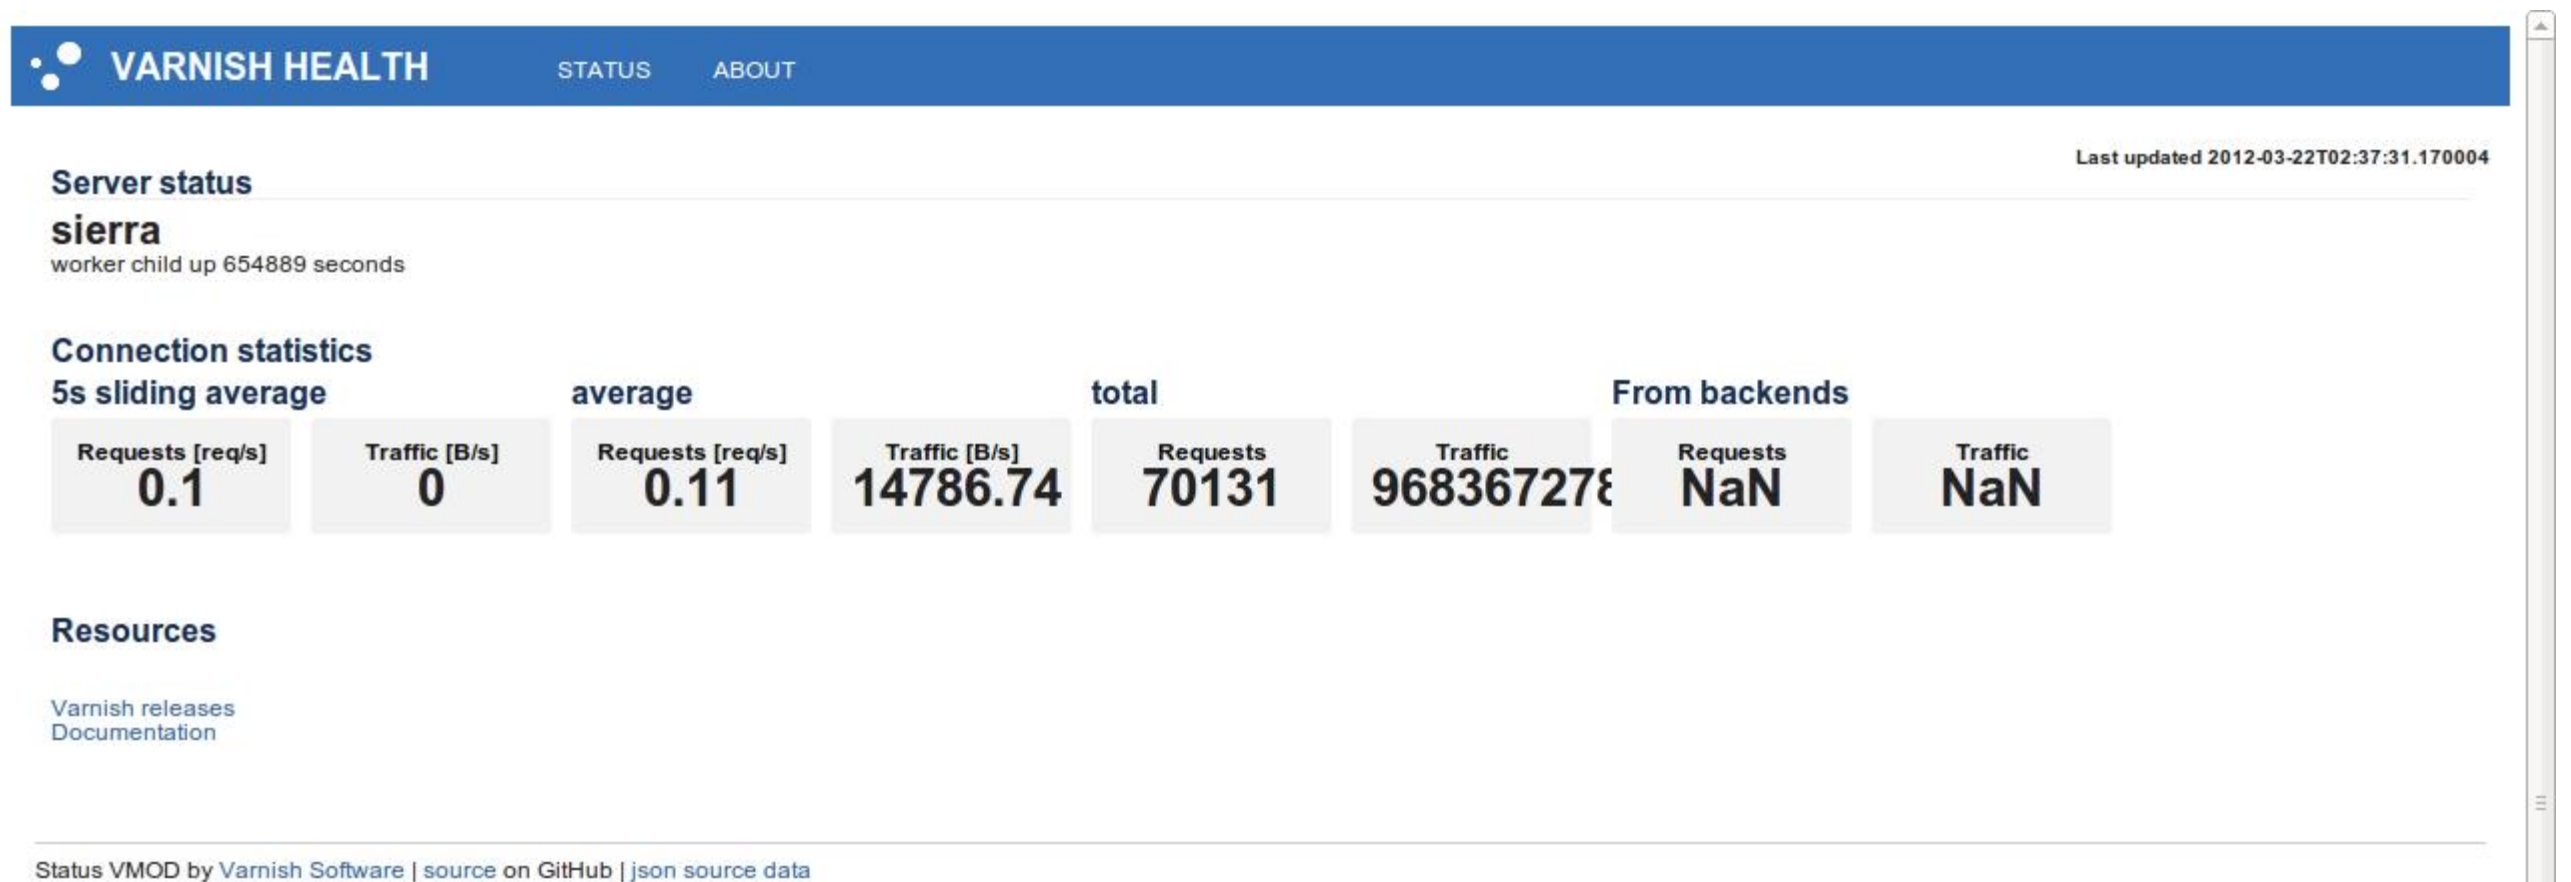

varnishstat on 3.0 is quite useful
Want to graph that?

Varnish Status Web GUI?

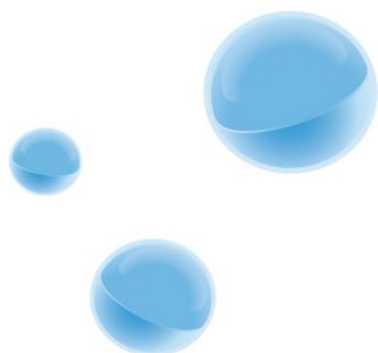

It works somewhat on 2.1 also
Nice, ha?

Have the same itch?

Lasse does, and he has now made the first iteration. **And it lives at Github:**

https://github.com/lkarsten/libvmod-status

Helps us making it awesome!
Yes, it's FreeBSD licensed
